

The work on this summer's asphalt resurfacing project is underway. Howell Asphalt will continue to perform milling operations and then laying new asphalt over several of the city's streets. Traffic will remain open as much as possible during the work, but some intersections will be closed during the project.

The roads to be overlaid are:

Park Street From IL 16 to Western Ave

33rd Street from Western Ave to IL 121

32nd Street from IL 16 to Western Ave

27th Street from IL 16 to Charleston Ave

Oklahoma Ave from 9th Street to 6th Street

6th Street from IL 16 to Prairie Ave
